## Flouring Mills.

THE subscriber respectfully aunounces to the public that he has recently rebuilt his MILLS on Eastanalice, three miles North east of Calhoun, Tenn., on an entirely new and improved plan, and is now prepared to accommodate those who have Wheat and Corn to grind. He can grind any quantity on short notice, and insures a fine turn-out. He specially solicits the patronage of such as desire a superior article of Flour for fami-ly use. He is also prepared to crush Corn in the cob for stock. Send in your Grain and try the Mills. W. J. McCLATCHEY. June 15, 1855-tf 351

James' Neuralgic Liquid.

THIS most extraordinary Medicine, for the cure of Neuralgia, Rheumatism, Cramp Cholic, Cholera-Morbus, Diarrhea, Croup, Flux, Sore-throat connected with Scarlet Fever, Pains in any part of the body, Asthma, Chills and Fever, Head-ache, Bruises and Sprains, and some other diaeases, is now for sale by

And when we say for the cure, we mean that for power and efficacy to cure cortoinly and guick, some of the above complaints, it surpasses any medicine (we think) ever yet compounded. It has never yet falled to cure Cramp Cholic in ten minutes; Diarrhoo and Gholera-Morbus nearly as quick, and for Plux nothing, I think, equals it. It will pay all persons suffering with Neuralgia or Nervous Weakness to give this a fair trial; they will rejoice that this Liquied was ever discovered, and I now most heartily join with them, as it is the only remedy I have found in twenty years to conquor this mest tormenting discase. Full directions round each bottle. [See Brownlow's Whig for details and testimony.] I will supply reliable agents with small quantities. Price \$2 per bottle, cash, only.

The great remedy for Rheumatism, Gout, Pain in Side, Hip, Back, Limbs and Joints, Scrofula, King, 8 Keil, White Swelling, Hard Tamors, Stiff Joints, and all fixed pains whatever.

Where this Plaster is applied pain cannot exist. It has been beneficial in cases of weakness, such as Pain and weakness in the Stomach, Weak Limbs, Lameness, Affection of the Longs in their primary stages.—It destroys inflammation by perspiration.

James L. Boyd, Pickeus district, South Carolina, testifies that by its use alone he was cured of Rheumatism n both of file knees, of several years standing.

The following was handed us by a respectable Physician in Georgia:

Messrs, Scovil & Mead—Gents: I have been using your Liverwort and Tar and Hebrew Plaster very extensively in my practice for three years past, and it is with pleasure that I state my belief in their superiority over all other articles with, which I am acquainted, for the purposes for which they are recommended. The Hebrew Plaster, especially, is an universal panaeca for local pains. I have also found it a most excellent application wherever used.
